Bastar Vishwavidyalaya,

Jagdalpur,(Bastar), Chhattisgarh

Technical Program Coordinator

(NIT, Patna)

Dr. Ram Gopal

About NIT Patna

National Institute of Technology Patna is the 18th National Institute of Technology created by the Ministry of H.R.D. Government of India after rechristening the erstwhile Bihar College of Engineering Patna on 28.01.2004. The institute is situated on south bank of holy river Ganges behind Gandhi Ghat. The institute imparts high level education training, research and development in science, engineering technology and humanities along with high quality education and values at UG and, PG and Ph.D level.

About Bastar Vishwavidyalaya (BVV)

Bastar Vishwavidyalaya (BVV), is a State university located, in Jagdalpur, Chhattisgarh, India. It is a teaching-cum-affiliating university which affiliates 30 college and has 10 University Teaching Departments (UTD). It was established and incorporated by Chhattisgarh Vishwavidyalaya Adhiniyam No. 18 of 2008 on September 2, 2008.

The BVV is one of the major institutions of higher education in Bastar Regions which predominated by tribal communities is largely devoted to post graduate studies and is widely known for its excellence in research and for its distinguished faculty

The BVV has built up a reputation for providing high quality academic training and has been recognized through a number of awards. In terms of infrastructure and other collateral support, the University has been proactive.

Electronics and ICT Academy

Ministry of Electronics and Information Technology Government of India has seven Electronics and Information Technology (ICT) Academies' of which the academy of NIT Patna is one. The Academy NIT Patna aims to design and organized basic as well as specialized training programmed in niche areas of electronics and ICT for development of required knowledge base, skills and tools to equip the teaching community with better knowledge and understanding

OBJECTIVES

The main objective of this FDP is to make the aspiring academicians/engineers acquainted with the conceptual as well as practical knowledge of the ICT & latest technologies being used achieve ICT.
